

Golf Clinics

Clinics are provided TGC Pro Shop for only \$5 per head and commence at 8.15am prior to your normal 9 holes on Mondays. Dates are organised by the Ladies.

Private 1/2 hour lessons are available at a charge of \$50.00.

You can organise your own clinic with the Pro Shop at \$100 per hour shared between a maximum of 6 people.

Bookings for your own lessons and clinics can be made at the Pro Shop.

The Pro Shop is located at the back of the club house and can cater for all your golfing needs.

It's important you know the Secret Formula to golf.

(1) **Regular Golf Lessons** - we can work out a plan for you. Each player needs a different plan to suit them.

(2) **Regular Play and Practice** - At least one game and one practice session per week is ideal.

(3) **Correctly Fitted Golf Clubs** - All of us are different shapes and sizes, so it's obvious we should have our own custom fitted golf clubs. We are happy to check your equipment FREE of charge to ensure you start on the right foot from day one.
